## Summary

**RCM Operations & Quality Leader** with 7+ years of progressive experience across US Healthcare Revenue Cycle Management, including AR Follow-up, Denial Management, Billing, Payment Posting, Revenue Integrity, Quality Governance, Compliance, and Process Excellence. Proven experience supporting and leading large-scale RCM operations, monitoring DSO, AR Aging, denials, collections, productivity, SLA and quality performance, and translating operational data into measurable financial and process improvements. Delivered **\$3.4M+ in AR recoveries**, reduced **AR defects by 30%**, improved **first-pass yield by 25%**, achieved **95%+ clean claim rate**, maintained **97%+ SLA compliance**, reduced **AR >120 days by 18%**, and contributed to a **15% DSO reduction** through data-driven RCM interventions, denial management, RCA, CAPA and process optimization. Experienced in client governance, executive reporting, operational escalations, transition and onboarding, KPI/MIS dashboards, stakeholder management and team development. Certified **Lean Six Sigma Black Belt and Green Belt**, with additional expertise in HIPAA, CMS, payer guidelines, ISO 9001, Power BI, Advanced Excel and **AI-enabled process transformation**.

## Core Competencies

- **RCM Operations** — Revenue Cycle Management | AR Follow-up | Denial Management | Billing Operations | Payment Posting | Revenue Integrity | Collections | DSO Reduction | AR Aging | Clean Claim Rate
- **Quality & Governance** — Quality Assurance | Quality Governance | Quality Control | RCM Audits | Audit Strategy | Calibration | Quality Scorecards | SOP Governance | HIPAA | CMS | Payer Compliance
- **Process Excellence** — Lean Six Sigma | Continuous Improvement | Process Optimization | RCA | CAPA | FMEA | Pareto Analysis | Defect Reduction | Rework Reduction | First-Pass Yield | COPQ
- **Analytics & Reporting** — Advanced Excel | Power BI | KPI Management | MIS Reporting | Dashboard Development | Trend Analysis | Data Analysis | Performance Management | SLA Management
- **Leadership** — Team Leadership | Coaching & Mentoring | Performance Management | Client Governance | Stakeholder Management | Executive Reporting | Escalation Management | Transition & Onboarding
- **Transformation** — AI-Enabled Process Transformation | Workflow Automation | Process Standardization | Operational Excellence | Revenue Leakage Prevention

## Professional Experience

### AGS Health

04/2025 – Present  
Chennai, Tamil Nadu,  
India

#### Supervisor

- Led and monitored **end-to-end US Healthcare RCM operations** across multi-client portfolios spanning **Billing, Payment Posting, AR Follow-up, Denial Management and Quality**, aligning operational performance with client SLAs and financial objectives.
- Monitored daily and periodic **DSO, AR Aging, Denial Rate, Net Collections, Productivity, TAT and Account Health** metrics to identify operational risks, prioritize interventions and improve portfolio performance.
- Drove **AR and denial performance improvement**, identifying revenue leakage, aging trends, process defects and payer-related issues and coordinating corrective actions with Operations and Delivery teams.
- Served as a key **client governance and operations SPOC**, participating in business reviews, performance discussions, escalations and action-plan reviews with clients and senior stakeholders.
- Developed and presented **executive dashboards, MIS and portfolio performance analysis**, translating operational data into risks, root causes, financial impact and corrective action plans.
- Led operational stabilization, process improvement and revenue integrity initiatives across multi-client RCM portfolios, partnering with Operations, Quality, Training and Process Excellence teams.
- Led **client transitions, onboarding and process migration**, ensuring operational readiness, SLA alignment, knowledge transfer, process controls and performance stabilization.
- Managed escalations through structured **RCA, CAPA and stakeholder governance**, ensuring timely resolution and prevention of recurring issues.
- Mentored team members and operational stakeholders on **RCM performance, quality standards, SLA adherence, process controls and continuous improvement**.

10/2022 – 04/2025  
Chennai, Tamil Nadu,  
India

#### Quality Team Leader

- Led **RCM Quality Governance and Process Excellence** across AR, Billing and Denial Management operations supporting **100+ FTEs**, aligning quality performance with operational and client objectives.
- Designed and executed RCM audits across **AR, Billing and Denial Management**, identifying denial trends, process gaps, revenue leakage and recurring defects.
- Performed structured **Root Cause Analysis (RCA)** and implemented **Corrective and Preventive Actions (CAPA)**, reducing AR defects by **30%**.
- Established quality scorecards, calibration frameworks, audit standards and governance mechanisms to improve consistency and standardization across teams.

- Partnered with Operations, Training and Process Excellence teams to implement workflow improvements that delivered a **20% increase in operational efficiency**.
- Conducted compliance reviews covering **HIPAA, CMS, payer guidelines and client SOP requirements**, supporting client governance and audit readiness.
- Designed SOPs, KPI dashboards, audit frameworks and executive reporting mechanisms to monitor quality, productivity and operational health.
- Mentored and developed Quality Analysts through coaching, calibration, performance feedback and structured capability-development programs.
- Leveraged Voice of Customer, client observations and operational data to identify improvement opportunities and strengthen service delivery.

06/2021 – 10/2022  
Chennai, Tamil Nadu,  
India

#### Quality Analyst

- Conducted quality audits across **AR and Billing** processes, ensuring adherence to HIPAA, CMS, payer and client requirements.
- Identified denial patterns, AR risks, process defects and rework drivers through data-driven quality analysis.
- Improved **Clean Claim Rate to 95%+** through structured quality feedback, process controls and targeted improvement actions.
- Delivered performance analysis and quality reports to leadership to support operational decision-making and process improvement.

04/2019 – 06/2021  
Chennai, Tamil Nadu,  
India

#### AR Analyst

- Managed **end-to-end AR follow-up** for Medicare, Medicaid and commercial payers, resolving denials, underpayments, reimbursement issues and outstanding balances.
- Analyzed **AR aging, payer behavior, denial trends and account-level issues** to prioritize high-value and aging accounts for follow-up.
- Reduced **AR >120 days by 18%** and contributed to a **15% reduction in DSO** through analytics-driven follow-up strategies.
- Worked across insurance verification, eligibility validation, claim status, denial resolution and reimbursement workflows within the US Healthcare revenue cycle.
- Applied payer-specific knowledge and account analysis to identify recovery opportunities and reduce avoidable aging.

## ★ Key Achievements

- \$ Delivered \$3.4M+ in AR recoveries through analytics-driven follow-up and denial management strategies
- ↓ Reduced AR defects by 30% and improved compliance/quality scores by 35% through structured RCA and process controls
- ✓ Maintained 97%+ SLA compliance consistently across portfolios while driving DSO and AR aging reductions
- ★ Played a critical role in stabilizing AR operations during client transitions and ramp-ups — zero disruption to revenue flow
- ↑ Achieved 95%+ clean claim rate and improved first-pass yield by 25% through quality framework implementation

## 📜 Certifications

- **Microsoft Certified: AI Transformation Leader** — ID: 9A6F77EDF8C3233E | No: 548FFT-F57AB1
- **Lean Six Sigma Black Belt (LSSBB)** — Certificate No: GG/LSSBB/25/0221347
- **Lean Six Sigma Green Belt (LSSGB)** — Certificate No: GG/LSSGB/25/0222268
- **ISO 9001: 2015/Amd 1: 2024 Update - Quality Management Systems** — Credential ID - 7090-22762925
- **Total Quality Management** — Certificate No: GG/TQM/26/02715
- **Generative AI Mastermind** — Outskills, 16 hours Workshop
- **Fundamentals of Lean** — Certificate ID: obrwes3sw3
- **Inventory and Quality Management** — Alison issued Feb 2025, credential ID 331-22762925

## 🛠️ Technical Proficiency

**RCM PLATFORMS** — NextGen | Athena | Embillz | eClinicalWorks | Insight Billing | Raintree | Carelogic

**ANALYTICS & REPORTING** — Advanced Excel | Power BI | Pivot & Macros | SharePoint | PowerPoint

**COMPLIANCE & STANDARDS** — HIPAA | CMS | ISO 9001 | CPT / ICD-10

## 🎓 Education

06/2012 – 05/2016  
Tamil Nadu, India

**Bachelor of Engineering**  
John Bosco Engineering College Tiruvallur
